

When you give to the Annual Fund, your generosity makes a big impact.

Every gift has impact at MSD. From creating extraordinary learning experiences for students to keeping up our incredible campus, every single gift impacts the young minds at MSD and propels them into the future with a love of learning and a sense of discovery.

Did you know that we need 100% of our families to give to the Annual Fund to help us close the gap each year?

As with all independent schools, tuition does not cover the full cost of educating a student and operating our school. The gap between what you pay for tuition and our operating expenses is \$1,677 per student this year. We count on everyone to give to help our school be the best it can be.

The more you know about how we use your support, the prouder you'll be of giving to the Annual Fund. Our Annual Fund goal is \$185,000 this year, and here's the inside scoop on where your gift can take us:

Technology

(\$25,000)

Preparing our students for a technology-driven world requires everything from Zoom accounts to iPads®, keeping us all plugged in and ready for big thinking.
