

BE A PART OF
SOMETHING
BIGGER

When you give to the Annual Fund, your generosity makes a big impact.

Every gift has impact at Montessori School of Denver. From creating extraordinary learning experiences for students to keeping up our incredible campus, every single gift impacts the young minds at MSD and propels them into the future with a love of learning and a sense of discovery.

As with all independent schools, tuition does not cover the full cost of educating a student and operating our school. In 2023-2024, the gap between what you pay for tuition and our operating expenses is \$1,675 per student. We count on everyone to give to help our school be the best it can be.

The more you know about how we use your support, the prouder you'll be of giving to the Annual Fund. Our Annual Fund goal is \$335,000 this year, and here's the inside scoop on where your gift can take us:

Technology

Preparing our students for a technology-driven world requires a specialized curriculum and everything from Smart TVs to iPads®, keeping us all plugged in and ready for big thinking.

Montessori Materials

Every classroom at MSD is filled with incredible, unique Montessori materials that serve as teaching tools. This fund helps us maintain and add to our treasured learning resources.

Professional Development

Our faculty and staff are passionate learners and that translates into incredible classrooms. This fund helps support them as they attend new webinars, workshops, and conferences.

Facilities

Our fantastic campus is part of what makes MSD so unique, from the Art Barn to Science Tower to the Treehouse. This fund makes sure we keep up all our spaces, inside and out.

Tuition Assistance

In addition to our spring Auction paddle raise, a portion of our Annual Fund is dedicated to making everyone feel welcome and giving the opportunity of an MSD education to tons of amazing kids. Last year we awarded \$507,000 in tuition assistance alone. This is what makes our community great.

Experiences and Excursions

We are so proud of all the ways we bring the world to our students through field trips, speakers, community gatherings, and more. This fund makes sure they are always discovering and exploring the world beyond our campus.

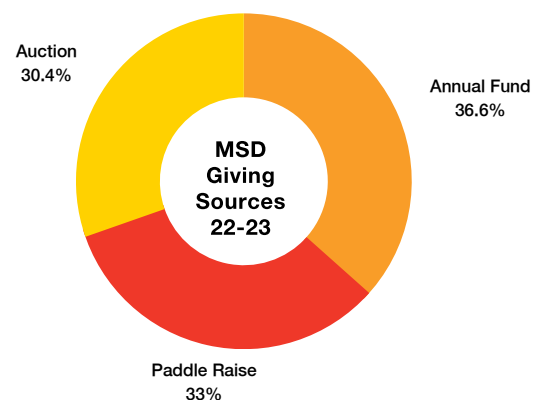

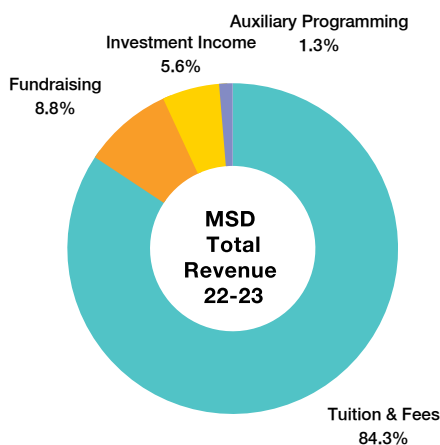

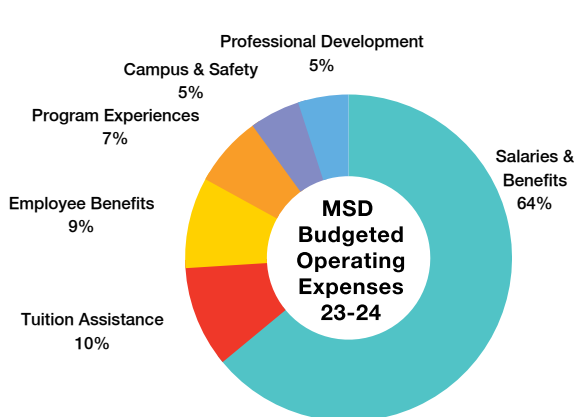

General Fund

This important fund is there for whatever pops up and needs our attention. It is an awesome way to make sure we have resources to make every day at MSD something great.
